Supt.

Dated 27th August, 1955.

[Despatch Abstract.]

FILARIASIS--South Kanara District--Udipi Municipality--Scheme of control--Enhanced grant--Sanctioned.

R.O.C.No.D1-3282-1/55.

Municipal Office, Udipi,
Dated: 31-5-1955.

OFFICE OF THE DIRECTOR OF PUBLIC HEALTH
4-
MADRAS

32169/291

From
Sri V.U.K. Nambissan, M.A.,
Commissioner,
Udipi Muncipality, UDIPI.

To
The Secretary to Government,
Health, Education and L.A.Dept.,
Fort St. George, MADRAS-1.

Thro'
The Chairman, Municipal Council, Udipi,
and
The Director of Public Health, P.B.No.722, No.81, Mount Road, Madras-6.

Sir,

Sub:- FILARIASIS AND MOSQUITO Control - Udipi Municipality - ,prevalance of - execution of the scheme by the Municipality - 50% of expenditure as grant - sanctioning of - requested.

- - - -

Ref:- Municipal Council's Resolution No.4 dated 12-3-1955.

- - - -

In submitting herewith a copy of Municipal Council's Resolution No. 4 dated 12-3-1955, I have to place before the Government the following facts and request that the Government may be pleased to sanction 50% of the expenditure incurred by the Council on its anti-filarial and anti-mosquito measures, as grant.

The incidence of filariasis is rapidly increasing in this Municipality during the last two or three years. The scheme of antimosquito measures proposed by the Director of Public Health for adoption by the Udipi Municipal Council at an estimated cost of Rs. 4,000/- was approved by the Government in G.O.Ms.No.248,P.H. dated 20-1-1950, and in accordance with instructions contained in G.O.No.417, dated 19-2-1954 the scheme is being continued, keeping in view the maximum limit of expenditure prescribed by the Government. On account of the meagre financial resources of the Council, it has not been possible to intensify the antimosquito and antifilarial measures on the lines suggested by the Regional Malariologist in his various check up survey reports, the implementation of which would involve more expenditure. In view of this it has been possible to carry out only a modest scheme which miserably falls short of the minimum control measures which would be absolutely necessary to check up the scourge of filariasis in its initial stages. I request therefore that the Government may be pleased to consider this submission sympathetically and pass early orders sanctioning 50% of the expenditure incurred on Antimosquito and Antifilariasis measures as grant in order to replenish the slender finances of the Council and enable it to undertake a more comprehensive scheme in the interest of public health of the Municipality.

Madras, dt. 10-6-55.

FORWARDED.

2. In accordance with Government Order Ms.No.4405-P.H. dt. 29-12-48 areas which are endemic for filariasis are eligible to a grant equal to 1/3 of the actual expenditure, from the state fund.

Since the Udipi Municipality is implementing anti-filariasis measures it is eligible for 1/3rd grant.

The question of paying enhanced grant to the Udipi Municipality may be decided by Government.

Order 2686 Health dated 27/8/55
MS

The Commr. Udipi Municipality is informed that the request of the Udipi Municipal Council that one half of the expenditure incurred by the council on the control scheme approved in G.O. 248 P.H. dated 20-1-50 may be sanctioned as grant for the council cannot be complied with. As however the municipal is required to be endemic for filariasis the question of ~~paying~~ a grant equal to one-third instead of one-fourth of the
